

# MOBILE PREPAID SERVICE DESCRIPTION

## MTEL FREE

Costs	
Tariff package	CHF 10.00 including VAT
Tariff package validity	25 days

(National) Mobile internet in Switzerland	
Data volume including	<b>5 GB</b> If the corresponding mobile tariff package does not contain any included units or if these have been used up and if no additional option has been activated, the consumption of further data will be charged at the standard tariff provided that sufficient credit is available.
Standard rates	Prices for data usage in Switzerland <a href="http://www.mtel.ch/de/standardtarife-daten">www.mtel.ch/de/standardtarife-daten</a>
Maximum speed	4G network (high speed) 2 Gbit/s (download) and 300 Mbit/s (upload) 3G network (high speed) 2 Gbit/s (download) and 300 Mbit/s (upload)
Note	The transmission speeds are the best possible performance and cannot be guaranteed. The actual internet speed depends on factors such as topography, network coverage, distance to transmitter mast, signal strength inside/outside buildings or other factors and may be lower than the stated maximum internet speed.

(National) Telephony & text messages in Switzerland	
Outgoing calls and text messages	5000 units which can be used as minutes or text messages in Switzerland, excluding calls and text messages to special numbers (e.g. 084x, 090x, 18xx), short numbers and value-added services.
Incoming calls	Free of charge
Special and short numbers	Calls to special and short numbers are charged at special rates. Valid price list for special and short numbers <a href="http://www.mtel.ch/de/spezial-und-kurznummern">www.mtel.ch/de/spezial-und-kurznummern</a> 084x (0840, 0842, 0844, 0848): Shared-cost numbers uniform rate, irrespective of the location within Switzerland from which the call is made, but not exceeding 7 centimes per minute (+VAT, maximum price of a national call to a landline). Final amount per call is rounded to 10 centimes.
Blocking premium rate numbers	Premium value-added service numbers 090xer and 0906 numbers can be barred on request.
Freephone numbers	Calls to 0800 numbers are free of charge.
Call forwarding	Call forwarding to the MTEL voice mailbox is free of charge. Otherwise, you will be charged the connection fee that would apply if you were calling the forwarding destination from your own line.
Listening to voicemails	Free of charge
Storing voicemails	8 days
Cycle billing calls	Minute rate. Each fractioned minute is charged as a full minute.
Connection setup fee	None

(International) Outgoing calls & text messages abroad	
Calls to MTEL ZONE networks	Calls to the MTEL zone networks are included in the 5000 units.
Calls to other countries in the world	The rates depend on the destination country. If no included units/credit are included in the corresponding mobile tariff package or if this is used up, calls abroad will be charged at the standard tariff.
Country list MTEL ZONE	<b>Wherever MTEL ZONE is mentioned, it refers to this country list with the networks listed here</b> Serbia(mts), Montenegro (m:tel Crna Gora), Bosnia and Herzegovina (m:tel Banja Luka), Austria (m:tel Austria).
Country list Europe	<b>Wherever EUROPA is mentioned, it refers to this country list</b> Iceland, Liechtenstein, Andorra, Faroe Islands, Slovakia, Hungary, Germany, Finland, Portugal, Sweden, Bulgaria, Luxembourg, Malta, Italy, Belgium, Slovenia, Norway, Martinique, Netherlands, Spain, United Kingdom, Croatia, Cyprus, Lithuania, San Marino, Ireland, Latvia, France, Reunion, Poland, Gibraltar, Greece, Romania, Denmark, Estonia, Vatican, Czech Republic,
